BOYS CLEAN VACANT LOTS

Make Ball Parks of Salt Lake City's Unsightly Spots.

A new scheme for cleaning Salt Lake City has been devised by J. P. Flynn, chief inspector for the health department. The inspector has enlisted the aid of boys, and the results are highly satisfactory. More vacant lots have been cleaned this year than ever before.

The method is to furnish garbage wagons free of charge and induce the boys living in the neighborhood of a vacant lot to clean up and make a ball park of it. Mr. Flynn reports that in most cases the boys have not only cleared away all the rubbish, but have cleaned the ground of rocks as well.

CITY BEAUTIFUL CAMPAIGN.

Denver to Repeat Work of Last Summer.

Denver is now preparing to inaugurate its campaign for making the residence districts more beautiful than ever this year. This campaign will be extended not only to private residences and grounds, but to vacant lots and alleys.

An effort will be made to keep all the vacant lots in the residence districts clear of weeds and rubbish, and the dumping of tin cans and other unsightly decorations in alleys and back yards will be discouraged.

Municipal Telephone in Seattle.

A. L. Valentine, superintendent of public utilities of Seattle, Wash., has begun a compilation of data for the installation of a system of at least 20,000 telephones. Councilman Erickson, champion of municipal ownership of public utilities, insists that the voters at the last election by expressing themselves 2 to 1 in favor of a municipal telephone are entitled to have it without further delay.

NINETEEN MILES A SECOND

without a jar, shock or disturbance, is the awful speed of our earth through space. We wonder at such ease of nature's movement, and so do those who take Dr. King's New Life Pills. No griping, no distress, just thorough work that brings good health and fine feelings; 25 cents at all dealers.

IF YOU PAY HALF OF THE DEBTS YOU OWE TO YOURSELF, YOU'LL BE ABLE TO PAY ALL THE DEBTS YOU OWE TO OTHERS.

You "owe it to yourself" to BUY WISELY. If there's a chance to make one dollar serve you as well as two dollars ordinarily, do you "owe it to yourself" to find that chance? If there are chances to save five dollars on a suit of clothes, or on a dress, a piece of furniture, a jewelry purchase, a trunk, on the monthly grocery bills, the month's expenditures for shoes, hats, haberdashery, for shoes, hats, haberdashery, you "owe it to yourself"—surely—to find these chances! Some of your friends are finding such chances ALL THE TIME! They are advertisement readers, of course.

So, if you would pay one of the most important and urgent of the debts that you owe to yourself, become an advertisement reader—a buyer of advertised things!
